- We will **remain open on those Federal Holidays marked with *** so that we may close for an equal amount of days over the holiday break between Christmas and New Year's. The full tuition applies during the annual Holiday break.
- We follow the Federal Government closing policy for all inclement weather (tuition applies). If there is an emergency closing on a Federal Holiday where YCP is open, all Closings/Late Procedures will be at the discretion of the Director.
- If a Federal Holiday falls on Saturday, we will close on Friday and if it falls on Sunday, we will close on Monday.
